

MUSTANG CODE PARENT COMMUNICATION

Date: _____

Following the MUSTANG CODE is important because:

1. I want school to be a safe place for all students.
2. I want to do my best each day.
3. I want to work to establish positive relationships with all peers and all teachers.

My behavior today did not support the MUSTANG CODE. This is a description of my behavior.

This is the word from the MUSTANG CODE I will work on so I do not repeat this behavior.

compassion community kindness respect courage citizenship integrity

Give an example of how your behavior will demonstrate you know the meaning of the word.
