The Mission Montessori Family-School Partnership (MMFSP)

To be completed one time only. This will remain in effect for the duration of your child(ren) attending Mission Montessori Schools.

Mission Montessori, in alignment with the educational philosophy of Maria Montessori, realizes that the partnership between school and family is instrumental in helping a child develop his or her full potential. We recognize that effective partnerships have these characteristics in common: open communication, mutual respect and a commitment to working together with a shared vision for the realization of goals.

Mission Montessori Schools are committed:

- To presenting to prospective parents our program and practices, philosophy and policies making all efforts to clarify the expectations and goals of both school and parents;
- To ensuring that teachers and administrators are accessible to parents, engaging in clear, open communication, always seeking and valuing the parents' perspective on their child.
- To actively seeking the knowledge, skills and resources of our parents in ways such as parent surveys, Parent Task Forces and the Mission Montessori Family-School Partnership, which will involve them when considering major decisions that affect the school community;
- To keeping the parents well informed on school and classroom activities, offering support in gaining a deeper, clearer understanding of the Montessori educational philosophy and methods in a variety of ways, including mass emails, an informative website, parent-education meetings, systematic reports, conferences, publications and informal conversations.

The _____ Family is committed:

(PRINT Family Name Here)

- To selecting a school offering programs and services congruent with the goals and philosophy of the family and fitting the needs of the child(ren);
- To demonstrating respect for school policies, procedures and support for school stability:
 1. by attending required programs and events such as conferences, Parent Education opportunities and optional programs such as classroom and school fundraising events, and special child-centered events;
 2. by arriving in a timely manner for drop-off and pick-up each day;
 3. **By not scheduling family vacations during school days as it reduces state funding per students absences.**
- To valuing the teacher/school's perspective on the child(ren), always seeking information directly from the classroom Lead Teacher.
- To providing any medical or personal information that may be needed to best serve your child(ren) and the family, such as keeping all immunization records, custodial papers, addresses and phone numbers updated at all times.

Parent Communication/Conferences/Progress Reports

Mission Montessori sends **mass emails** for general school information, posts **monthly newsletters** on each teacher's blog, and **maintains a working general calendar** on our website to keep parents informed of school and classroom activities and special events. **Two parent conferences** are scheduled during each academic school year. You may schedule additional conferences at anytime you feel that one is necessary. However, during class time, the teachers' full attention must be with her/his class, so even if you would like to see a teacher just for a few minutes, please arrange your meetings in advance, preferably before or after school.

Progress reports will be sent home four times a year for all students in both private and charter schools.

Parent Education

Parents are requested to attend parent education seminars designed to enhance your understanding of your child's Montessori education. The Montessori classroom atmosphere and approach to education differs from traditional public school. The more you know, the more you are able to support your child's learning experience. Participation fulfills Volunteer Hours.

The MMFSP also sends mass emails to communicate with parents about FSP specific events, meetings, volunteer opportunities, and other useful school information. **If you do not wish to be included in the FSP email list (shared with FSP representatives), or if you have additional emails you would like to add to the list, please indicate below:**

I do not want my email included on the class communication list, please take it off.
(Please write email so we can double check it is not included)

JOYFUL GIVING PROGRAMS

Mission Montessori Academy's Middle Years Program

Mission Montessori is a nonprofit tax-exempt 501(c) 3 corporation.

All contributions are voluntary donations and tax deductible, as allowed by law.

I. Community Investment Fund:

For the past years, it has been necessary for high performing schools in Arizona to request voluntary contributions from parents and the greater school community to cover the per student funding gap between what the state pays and what those schools need to maintain their high quality of education.

Mission Montessori Academy's Middle Years Program is an excelling "A" rated charter school. It has served hundreds of students and their families since 2011. Our students have consistently and substantially outperformed other local and state-wide high quality schools. Our Montessori program is a comprehensive educational model that includes educating the whole child beyond the academics.

Our community investment campaign supports our educational mode, as follows:

- (1) It supports the quality of the Educational Model by adding assistants in each classroom to reduce the student/teacher ratio and allow extended time for individualizes instruction; and,
- (2) It supports Extra-Curricular activities that are vital for our Montessori whole child educational model.

To maintain the excellence in our present educational model and to meet the continued state reductions, we are requesting a gift of \$1700 per child. This can be paid in one lump sum or monthly payments over the school year.

II. Annual Tax Credit Program:

This annual tax credit is an opportunity that gives you the choice of where your tax dollars will be used and you can use these dollars as credit to pay your Arizona state taxes. This is a "dollar for dollar" tax credit for families and anyone who pays Arizona state taxes. You may give up to \$200 if you are single or up to \$400 if you are married and filling jointly. These tax credit dollars help a school pay for their specials programs.

We appreciate the participation of all our families, because your contributions make us exceptional.

2024-2025

For the past few years, it has been necessary for high performing schools in Arizona to request voluntary contributions from parents and the greater school community to cover the per student funding gap between what the state pays and what those schools need to maintain their high quality of education.

Our community investment campaign supports our *educational model and growth*, as follows:

- (1) It supports the quality of the Educational Model by adding an assistant in each classroom to reduce the student/teacher ratio which allows extended time for individualized instruction. The Community Investment funds assistants' salaries which the State of Arizona does not pay for.
- (2) Our Extra-Curricular Classes; Art, Music, Spanish, P.E., Gardening, Sustainable Systems, Global Studies are only made available to our students due to the Community Investment Fund. It also pays for the extra-curricular teachers' salaries and supplies them with materials.

To maintain the excellence in our present educational model and to meet the continued state reductions, we are requesting a gift of \$1700 per child. This can be paid in one lump sum or monthly payments over the school year.
